

Stand Firm in the Lord

Philippians 4:1-9

Standing firm in the Lord requires thinking correctly and following wisely.

1. Think correctly and follow wisely.

"...from God's perspective, the real measure of individuals lies in what they think-NOT in how well they deploy their gifts or even in what they do, but in what they think...there is no enduring sanctification apart from the truth of the Gospel taking hold of our minds." D.A. Carson

2. Think correctly and follow wisely in conflicts.

3. Think correctly and follow wisely in trials.
