FOR FURTHER DISCUSSION BETWEEN PARENTS AND STUDENTS:

1. What does an ambassador do? What is the job description that God has given Christians as His ambassadors?
2. In your own words, what is the gospel?
3. Merritt listed several reasons that evangelism is sometimes hard. What were they? What is the hardest for you?
4. Who are some friends you could be reaching out to? What are some practical ways to get to know them better or to serve them? What do you have in common that could be used as a springboard for relationship building?
5. What could we do as a family to engage in relational evangelism with our neighbors?
6. What needs to change in our hearts/thinking/schedules to begin to engage people in our neighborhood through relational evangelism?
