FOR DISCUSSION

- Steve asked: what kind of friend does God want you to look for? How do you know?
- Is there someone who isn't a friend that you wish could be?
- In your own words, describe what it means to be wise. Describe what it means to be a fool.
- Who would you consider to be your closest friends?
- Do you have friends who are wise? Who are they? Do you have friends who are fools? What does the Bible say will be the result of that friendship?
- Steve said Proverbs 13:20 teaches us that "you are who you friend." Can you think of any ways you've become like the people you are around most?
- Do you have any friendships that are purposefully evangelistic?
- What qualities do you look for in a friend?
- What difference does it make that Jesus describes us as friends?
